### EDUCATION

- **El Shorouk Academy**

*Bachelor of Computer Science*

Cairo, Egypt

Sept. 2020 • June 2024

### EXPERIENCE

- **Intensive Code Camp (Frontend & Cross-Platform Mobile Development)** Nov. 2024 • Apr. 2025

*Information Technology Institute (ITI), Minya*

- Built cross-platform mobile apps using **Flutter** & **Dart**, integrating APIs and creating responsive UIs.
- Gained practical experience in **React.js** and modern frontend tools.
- Worked in agile teams, enhancing teamwork and problem-solving skills.

- **Professional Foundations Program**

Jul. 2024 • Sept. 2024

*ALX Africa*

- Completed an intensive 2-month program focused on **21st-century soft skills** and foundational tech knowledge.
- Developed skills in **leadership**, **communication**, **critical thinking**, and **task management**.
- Introduced to essential **tech concepts**, career planning, and professional portfolio building.

- **IT Intern**

Aug. 2023 • Sept. 2023

*Suez Oil Processing Company*

- Assisted IT team with maintenance, troubleshooting, and documentation of internal systems.

### PROJECTS

- **Mr. Defence • Safety & Emergency App** ([GitHub](#))

Apr. 2025 • May 2025

- Developed in Flutter with **Cubit**, **goRouter**, Firebase, and Cloudinary.
- Implemented an **SOS button** (triple-press) capturing photos, voice recording, GPS, and sending alerts to guardians/authorities.
- Designed **Alert flow** with tags, media attachments, and guardian notifications.
- Integrated phone-based sign-in with Firebase Authentication.

- **Library E-Commerce App** ([GitHub](#))

Jan. 2024 • Jun. 2024

- Led development of a Flutter-based shopping app with **MVVM architecture** and **BLoC**.
- Built core features: onboarding, OTP authentication, categories, cart management, and responsive design.
- Collaborated with a 7-member team including backend devs and designers; graded Excellent.

### COURSES

- **Flutter Diploma**

Dec. 2023 • May 2024

*AMIT Learning*

- **Programming Fundamentals Diploma**

Dec. 2022 • May 2023

*Route IT Training Center*

### SKILLS

- **Programming & Tools**

- Dart, Flutter, BLoC, MVVM, React.js, REST APIs, JSON, Firebase, Git/GitHub, Android Studio, VS Code, Postman, Figma

- **Methodologies & Soft Skills**

- Agile Development, Version Control, Adaptability, Team Collaboration, Communication, Quick Learning
