WORK EXPERIENCE

React.js E-Learning Platform Developer	**February 2025 (2 weeks)**

ITI Minia Hybrid – Minia, Egypt
- Co-developed Skillbridge, an e-learning platform with user authentication, course enrollment, and search/filter features. Utilized React.js, Firebase, and Material-UI, collaborating with one teammate to create a responsive, bilingual platform with dark/light mode.
- Improved platform performance by 20% through optimized Firebase queries and React.js state management.

Quran & Azkar Web Application Developer	**December 2024 (2 weeks)**

ITI Minia Hybrid – Minia, Egypt
- Built a Quran & Azkar web app featuring Arabic/English text, audio recitations, search functionality, and prayer times. Used HTML5, CSS3, JavaScript, and Quran API, collaborating with two teammates to deliver the project.

On-Site IT Intern	**August 2023**

SUEZ OIL PROCESSING CO. – Suez, Egypt

EDUCATION

El Shorouk Academy – Cairo, Egypt	**September 2020 – June 2024**

BCS, Computer Science.

Mobile App & Flutter Developer	**September 2023 – June 2024**

El Shorouk Academy – Cairo, Egypt
- Developed an e-commerce mobile app using Flutter as part of a 7-member team, overcoming challenges and learning new concepts on the go. Collaborated with one teammate to deliver the app, earning an Excellent grade for the graduation project.
